# BICHENO BEAMS

From 19 August – 30 September,  
Bicheno will play host to a shiny  
new event – Bicheno Beams.

A family and penguin-friendly celebration of light, **BICHENO BEAMS** will offer yet another exciting reason to visit our must-stay destination. It will also provide opportunities for businesses and our community to thrive during the cooler months.

You will need to bring your smart phone or device and perhaps your ear phones to hear the spectacular music which accompanies the lights shining into the sky, away from homes and wildlife habitats.

**BICHENO BEAMS** is set to become an unmissable annual event, drawing locals and visitors alike to celebrate the place we love.
